

The TZ-105 Column Speaker employs multiple cone speakers arranged vertically on a single baffle board to provide wider horizontal directivity.

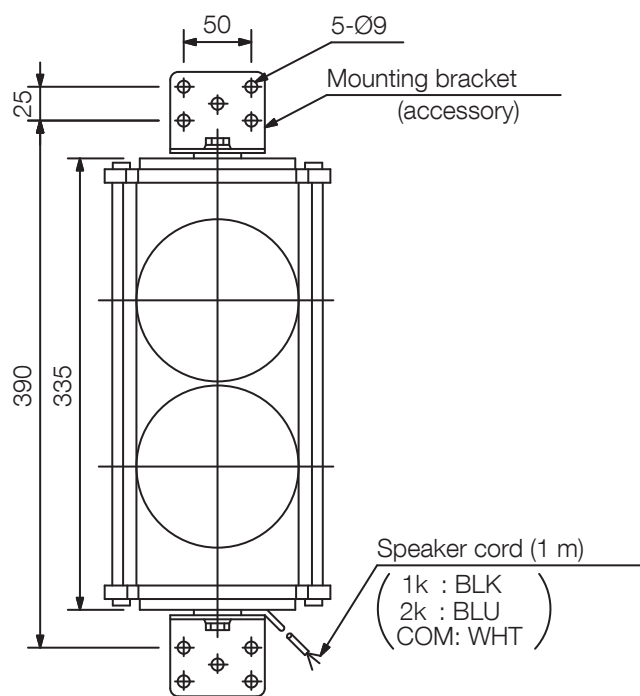

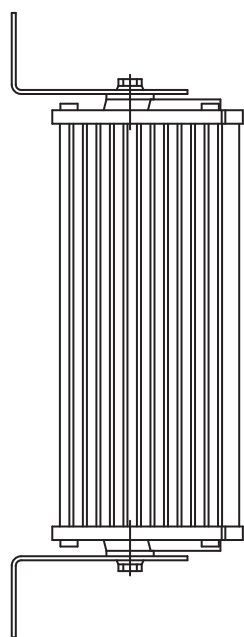

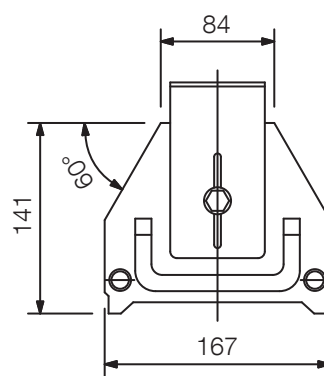

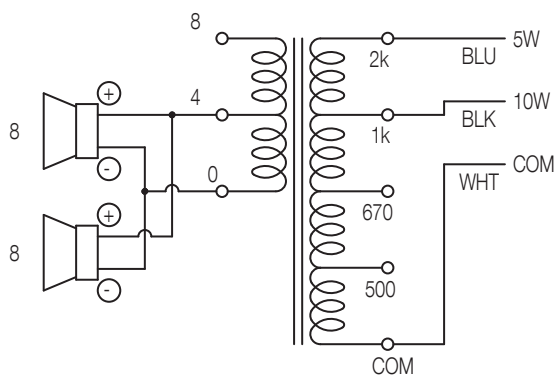

Order no: TZ-105 EX  
Alternative products: BS-1110W, BS-1120W

## Specifications

|                                      |                                                                                 |
|--------------------------------------|---------------------------------------------------------------------------------|
| Frequency response                   | 150 Hz - 10 kHz                                                                 |
| Sensitivity (1#V, 1#m)<br>(combined) | 90 dB                                                                           |
| Speaker component                    | 12 cm cone-type x 2                                                             |
| Rated input                          | 10 W                                                                            |
| Tappings                             | 100V line: 1k $\Omega$ (10W), 2k $\Omega$ (5W)                                  |
| Rated impedance                      | 100 V                                                                           |
| Weight                               | 3,4 kg                                                                          |
| Certificates                         | IPX3                                                                            |
| Dimensions (W x H x D)               | 167 x 334 x 141 mm                                                              |
| Dimensions ( $\phi$ x D)             | x 141 mm                                                                        |
| Gross weight                         | 4,2 kg                                                                          |
| Finish                               | Aluminium, fully-glazed, paint, white aluminium (RAL 9006 or equivalent), black |
